Seven Emirates

Seven Emirates plastic containers trading LLC operated by a team over a Years of experience in the food packaging industry, with plenty of happy repeat-customers to testify to the top- quality service we provide here at Seven Emirates Packaging.

Seven Emirates Packaging is ready to provide fast, efficient service to our clients, wherever in the UAE they maybe. Meaning you'll receive your high-quality food packaging products right when you need them, with minimal waiting.

Seven Emirates also serves the needs of plenty of institutions and establishments from a wide variety of sectors, from hospitals, schools, restaurants and Several Other Food Chains. This is possible thanks to our extensive list of offered products, guaranteed to serve any function you wish. From common items such as paper products. Biodegradable products, plastic Products to more specialized items such as sandwich wedges, pizza boxes, salad containers and cake boxes, Ice cream Boxes, Paper bags, Soup cups, paper plates, Cling film, Aluminum Foil, Aluminum Containers our experienced and informative sales representatives can help you choose the right items for your needs, even if we don't stock them

Nowadays, it's no longer enough for business to focus solely on profits; they need to make a positive impact on the world as well. That's why Seven Emirates Packaging also takes into account the environment, offering plenty of environmentally friendly, biodegradable and compostable packaging products that make a minimal impact to the environment.

The reason behind our growth is that our customers come back to us time and time again. That's because we always put the needs of our customers first giving them high quality food packaging disposable products at competitive prices. We constantly strive to improve our services because customer satisfaction is our priority in everything we do.

If you're interested in coming over to sample our products or - better still - want us to take the samples over to you, simply contact our knowledgeable team of professional representatives to get that set up for you.

For businesses looking to make regular orders, we also provide a customer account service, where our representatives will keep you updated on all the special promotions as well as the status of your deliveries.

Also offers a bespoke service. We will print your own Brand/Logo on the highest quality food packaging from coffee cups to fish and chips boxes, food containers and fast food products.
